

October 6-8, 2010

Boyne Mountain Conference Center
Boyne Falls, MI

Concepts is headed North in 2010!

We're taking the conference to a new location but you can still count on quality education, great information, and the chance to network with your industry peers.

Education – Experience a conference of national quality in your own backyard! Whether you represent a financial institution, corporation, or solution provider, you won't want to miss it.

Sessions of interest for each of these audiences:

Corporate Payments Professionals – Either looking to get away from manual processes and paper checks or have already discovered the benefits of payments automation and want to stay on top the latest and greatest solutions and applications.

Senior Financial Institution Staff (Strategic, Sales, and Positioning) – Needs to know about the industry changes and trends that impact their financial institution and their corporate customers.

Continuing Education Credits – The Concepts agenda offers continuing education credits for Accredited ACH Professionals (AAP) and we anticipate that it will once again be pre-approved by the Association for Financial Professionals (AFP) for CTP renewal credits.

AAP Alliance Meeting – This is a pre-conference roundtable for Accredited ACH Professionals (AAPs) to discuss hot topics and the challenges that affect today's busy payments professionals. Learn and develop best practices, network with your peers, and earn continuing education credits. The Alliance Meeting qualifies for up to 3 AAP continuing education credits. Advance registration required. (No charge for members, \$30.00 all others)

Lodging – Be sure to reserve your hotel room early! Boyne Mountain Resort is offering a discounted rate of \$120.00 per night for reservations made through September 6, 2010.

Hotel / Conference Center Address:

1 Boyne Mountain Road
Boyne Falls, MI 49713
231.549.6000
